

# ***Community Garden Patch Program***

The Community Services Department facilitates a community garden located at Val Vista Community Park. The garden is comprised of thirty-three (33) full-sized patches, each measuring approximately 225 square feet. As of January 1, 2011, seven (7) new smaller patches of approximately 100 square feet have been added, bringing the total number of patches to 40. Applications and general garden information are available through the links below.

Applications are accepted on a first come, first served basis from Pleasanton residents only. All gardeners will be required to complete a Patch License Agreement and pay an annual non-refundable Patch Fee of \$100 for large patches (~225 sq. ft.) and \$50 for small patches (~100 sq. ft.). Fees are reduced by half after July 1 for the remainder of the year. In addition to an annual fee, there is a onetime patch deposit fee of \$75 for all patches (refundable upon condition and termination).

Prospective gardeners will be placed on a waitlist in order of application receipt. For additional information, please contact Christina Craft, Community Garden Coordinator via email [ccraft@cityofpleasantonca.gov](mailto:ccraft@cityofpleasantonca.gov).
